

Thompson Terminal Point Technique Seminar

CAIRNS, Queensland July 7th 2018
Novotel, 122 Lake St, Cairns Australia

Your guide to one of the world's most utilised Chiropractic Techniques

The Seminar: An incredible opportunity to learn or refine your Thompson Terminal Point Technique. This content rich seminar is presented by internationally renowned Thompson Technique instructor Dr Sheridan (Brady) Kay. Learn correct use of your table, analysis, neurology, adjusting techniques, contraindications and get **hands on** practical experience start using Monday.

Your Presenter: Dr Sheridan Kay's teaching experience spans 20 years including head lecturer for the Thompson Technique at the New Zealand College of Chiropractic. She has taught seminars with her father Dr Alan Brady (dec), Dr Rob Jackson and conducted her own seminars and workshops in both Australia and New Zealand. A Life University (USA) graduate and formerly from Victoria, Sheridan's knowledge and presentation of the Thompson Technique is unparalleled.

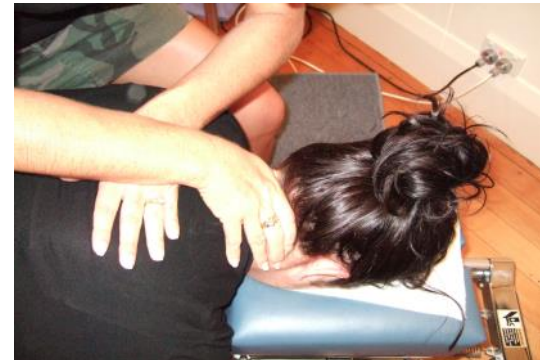

Practical: There will be Zenith Chiropractic tables on hand for instruction throughout the weekend. The seminar will focus on cervical and pelvic adjusting using the Thompson Terminal Point technique protocol, correct application of Derifield analysis, lines of correction, the "5-categories" of pelvic and cervical presentations, patient safety and contraindications.

This program has been assessed by the Chiropractors' Association of Australia (National) Ltd, an approved assessing body of the Chiropractic Board of Australia, and allocated 13 Formal Learning Activity Hours.

Certification: This seminar contributes to the three (3) necessary Thompson seminars required to sit for competency certification in the Thompson Terminal Point Technique.

Please Note: Numbers are limited by venue. Register by FAX, Email or online (**preferred)
Please advise if this is your 3rd seminar and you wish to be examined for certification over page.**
