

Thompson Terminal Point Technique Seminar

Brisbane, Queensland May 31st– June 1st 2014

Mercure Hotel 85-87 N Quay, Brisbane, QLD Australia

Your guide to one of the world's most utilised Chiropractic Techniques

The Seminar: An incredible opportunity to learn or refine your Thompson Terminal Point Technique. This content rich seminar is presented by Thompson Technique instructor Dr Sheridan (Brady) Kay. Learn correct use of your table, analysis, neurology, adjusting techniques, contraindications and get **hands on** practical experience start using Monday.

Your Presenter: Dr Sheridan Kay's teaching experience spans 14 years including head lecturer for the Thompson Technique at the New Zealand College of Chiropractic. She has taught seminars with her father Dr Alan Brady (dec), Dr Rob Jackson and conducted her own seminars and workshops in New Zealand. A Life University (USA) graduate and formerly from Victoria, Sheridan's knowledge and presentation of the Thompson Technique is unparalleled in Australia. Her energy, execution and application will leave you asking for more.

Practical: There will be Zenith Chiropractic tables on hand for instruction throughout the weekend allowing plenty of time to hone your skills and sharpen your knowledge. The seminar will focus on cervical and pelvic adjusting using the Thompson Terminal Point technique protocol, correct application of Derifield analysis, lines of correction, the "5-categories" of pelvic and cervical presentations, patient safety and contraindications.

This program has been assessed by the Chiropractors' Association of Australia (National) Ltd, an approved assessing body of the Chiropractic Board of Australia, and allocated 12 Formal Learning Activity Hours.

Certification: This seminar contributes to the three (3) necessary Thompson seminars (Dr Rob Jackson Seminars included) required to sit for competency certification in the Thompson Terminal Point Technique.

Please Note: Numbers are limited by venue. Register by FAX, Email or online (**preferred)
Please advise if this is your 3rd seminar and you wish to be examined for certification over page.**
